

## Policy Placement – Labour Market Skills Gap

Summer 2018, Fort Frances

Want to make a difference in Northern Ontario?

Northern Policy Institute is seeking two (2) full-time Summer Policy Analysts for a 16 week placement with a host organization in **Fort Frances**. While analysts with particular expertise are most welcome, an inter-disciplinary approach and the capacity to work across subject areas is expected and required.

The focus of these placements will be to explore labour market supply and demand in Ontario's northern regions, with a special focus on supply from PSE, replacement demand and Northern Ontario's comparative advantage(s) in the labour market. In addition to descriptive statistics the placements will be expected to assess and explore potential policy implications and apply comparative evidence to support proposed policy changes, solutions, or directions.

Knowledge of and experience with private and public data sets is essential as are skills and experience with data presentation and analysis using tools like Excel, SPSS or Stata. University or college students with some practical experience are preferred. Bilingualism would be an advantage. Multilingualism, or a special knowledge of Northern Ontario would also be assets.

Northern Policy Institute appreciates all expressions of interest; only candidates who are to be interviewed will be contacted. The salary range for this position is \$16-\$18 per hour. Internships will begin 7 May, 2018 and end 24 August, 2018.

Deadline for applications is **31 January, 2018**.
