### **Northern Policy Institute Info Session taking place April 18<sup>th</sup> in Parry Sound**

**April 10, 2018** – Join the discussion. Northern Policy Institute and the Georgian Bay Women's Network invite you to attend an evening of learning, sharing and networking on Wednesday, April 18, 2018 from 5-7pm.

Join community members from the Parry Sound District to find out more about what projects Northern Policy Institute is working on, meet the people behind them, and learn how we are having an impact on Northern Ontario communities through evidence-based research and analysis.

Share your ideas and get answers to questions like:

- What are the projected demographic trends in the Parry Sound District?
- How many newcomers do we attract to our community each year? How many do we need to attract moving forward?
- What will the future labour force look like? How do we prepare for it?

Refreshments and snacks will be served. This event is free and open to the public.

Media is welcome to attend and we hope to see you there. NPI President & CEO Charles Cirtwill will be available for comment.
